Plaintiffs/Appellants Steven Salsberg, Esq., and Gloria Salsberg respectfully submit this Memorandum of Law in Support of their motion to file an oversized brief.

I. ARGUMENT

As set forth in the accompanying Declaration of Joseph P. Garland, Plaintiffs/Appellants seek leave to exceed the page limit imposed by Fed. R. Bankr. P. 8010(c) of 25 for their reply brief. The additional pages are required because in their principal brief, Defendants/Appellants made a number of assertions with respect to Trico's financial condition that Plaintiffs believe are incorrect, but the proof of such incorrectness requires some detailed financial analysis.

In addition, this case concerns additional issues related to Trico's financial condition and prospects insofar as they related to the issue of whether the testimony of Trevor Turbidity was correct. Again, Plaintiffs believe it necessary that some detailed statements with respect to these financial issues be set forth, and the detail of such statements is necessarily complex.

II. CONCLUSION

For the foregoing reasons it is respectfully requested that Plaintiffs/Appellants be permitted to file an oversize brief in the form attached to the Declaration of Joseph P. Garland dated December 14, 2007.
